

Mariam Al-Jamil

Senior Software Engineer (TypeScript / Cloud Architectures) Boston, MA | (555) 345-6789 | mariam.jamil@email.com | github.com/maljamil

Professional Summary

Distinguished Senior Software Engineer with 7+ years of experience leading engineering groups to build cloud-native, high-performance web products. Mastery in advanced TypeScript architectures, serverless frameworks, and large-scale React patterns. Proven record of cutting technical cloud overhead while driving scalable systems to support multi-million user bases.

Technical Ecosystem

- **Architectural Focus:** TypeScript, JavaScript, GraphQL, Microservices, Event-Driven Patterns
- **Web Technologies:** React, Next.js, Node.js, Remix, Apollo GraphQL, Playwright
- **Cloud & Data Infrastructure:** AWS (Lambda, DynamoDB, CDK, Cognito, CloudFront), Redis, PostgreSQL, Terraform

Professional Experience

Quantum Health Core | Boston, MA

Senior Full-Stack Engineer / Tech Lead | May 2023 – Present

- Spearheaded architectural designs for a multi-tenant client medical portal serving 4 million active accounts utilizing AWS Serverless, Next.js, and TypeScript.
- Cut standard monthly infrastructure costs by 32% by shifting traditional containers to target event-driven AWS Lambda microservices.
- Established continuous engineering guidelines, steering regular architectural peer reviews and providing mentorship to 6 mid-level and junior devs.

Beacon Financial Tech | Boston, MA

Senior Software Developer | November 2021 – May 2023

- Engineered and deployed an internal transactional tracking ledger using Node.js and PostgreSQL with strict encryption parameters.
- Migrated an obsolete monolithic web view system over to a decoupled micro-frontend structure utilizing React, preserving backward compatibility.

Education & Certifications

Issuing Body / Institution	Degree / Certificate	Date
Boston University	B.S. in Computer Engineering	May 2019

Issuing Body / Institution	Degree / Certificate	Date
Amazon Web Services	AWS Certified Solutions Architect – Professional	Oct 2024
